I worked with Doug at Southern Honda and Griffith Cycle. He was very funny and a very knowledgeable tech. My thoughts and prayers are with his family and many friends. Rest in Heaven brother.

“ *I worked with Doug at Southern Honda and it was a pleasure to do so. He was such a knowledgeable man and he really could fix anything. He taught me so much and was quite hilarious at times. He never let the grease on his hands get in the way of a good sandwich either.*

“*Doug was a trustworthy friend and co-worker. I always knew that I could count on him when he worked with us at Griffith Cycle. I enjoyed and understood his dry humor and admired him and his skills. I am sorry that I hadn't seen him in a while. I certainly would have loved to see him again here on Earth. He was a private man and I respected that. It was always a pleasure to see him pull up to the shop in that old truck with Crystal. She makes the best salsa!*”
