“ Wow... I just found out a couple months ago that dear Doug HAD passed away! I'm so very sad. I got to visit him in the VA hospital like in 2012 or 2013, & then also at Erlanger in 2014 or 2015 (bad memory on the dates). Blessings to all his remaining family & friends! It was way back in the mid '80's when I'd first met Doug, & we had the same group of friends, for the most part, for several years. I think I may still have a picture of him from when we all went to Tampa in 1986. He was such an encouragement! Rest in peace, precious Doug!

“*Dougie , my cousin, and I grew up together and spent a lot of time when we were young. We stayed over the weekend with each other many times and our families joined in on most every holiday. Dougie was always adventuresome, ready to jump off of trees, etc. Some weekends I would stay over and he and I would ride with his dad, Uncle Dub, on his paper route. The route sometimes included some areas downtown Chattanooga that has probably been re-developed now and we heard shooting and Dougie jumped out of the truck and said, "Daddy there are gun shots, look, look". Uncle Dub in a quiet but strong tone, "Dougie get in the truck" and Dougie said " but Daddy there is shooting" to which Uncle Dub said in a stronger tone, " Dougie, get..in.. the.. truck." this time Dougie got in and joined me where I was huddled behind the stacks of bundled papers. As we grew we both entered UTC and were actually in the same fraternity. Dougie got married and decided to leave college and went into the Marines. We did not see each other much in later life except when we both went through a divorce at the same time and spent some weekends with our respective children playing together.*

*Dougie, you and I shared some good and not so good times over the years and I wish for you to enjoy your new adventure in peace with all your loved ones that preceded you in death.*

*Your Cousin, Mike*

“ Douglas was my cousin and his Mom, Margie, was like a sister to me. I am sorry that I have seen not only he but his Mother, Father, Brother and oldest Daughter pass away.

Douglas and my son Mike played together as kids and as families we spent many holidays together. Although Douglas did not always have a easy life he always showed love for family and had a good sense of humor.

I will miss you Douglas but I know you are now reunited with your parents, Daughter and Brother. Have peace now. Love, Madge

“ Thinking of your family during your time of loss. Doug grew up in our neighborhood and was a good friend to my brother, David Richardson. Perhaps they are reunited in the after life. I know you will miss him terribly. He was a good guy.
