“ We have known Lee for about 9 years. He had done some work on my car and little did I know at that time, we would become so close. Fun times with all the crew, watching him race, the smoked & grilled meals at the garage. Also the quiet times sitting and just talking about life....Brother Lee, you were a winner at the track, a winner in life and made the Championship on that Grand Track we all aspire to run.Love you Brother....Will miss you.....To the family and friends of Lee, our thoughts and prayers be with you!
