“Doyle, i just want to thank you for being such a dear and constant friend and guardian angel to my mother, father figure to me and and grandfather to Misty. I know for a fact that you saved mom's life last July, and for that I will be forever grateful. You were a proud survivor of WWII, and I am honored to have had you in my life. So many memories, so much love. So sad that you are gone. I will carry you in my heart forever Marion (yep - just had to one more time LOL). Love always.
