“ *Mr. Smith had a huge impact on my life. When my father passed away in high school I took it hard and actually quit school soon afterwards. Mr. Smith got in contact with me and talked me in to coming back. He went with me in front of the school's hardship committee and helped get my credit hours back and I went on to graduate from there. I think he saw something in me that I didn't see in myself at the time. We had a great relationship as a student/teacher. I went with him and a group of students twice to St. Simons Island. It was the first time I ever saw the beach. I got a chance to personally thank him again a few years ago after running in to him in Ringgold. He was a great man. My thoughts are with his family during this tough time.*

“ Dear Jane and Family,  
...I speak for the surviving Shipmates of the Commissioning Crew of USS Scamp, SSN588, who may not get the chance to express their sadness and condolences to you. (Forgive me for taking the liberty, Lads...for I was not privileged to be counted among your ranks in 1961, but came along later, in 1963).  
...All I can say, which will come as no news to you, Dear Lady, is that Gary's Shipmates loved him to a man! He was special in many ways to us. He left us with many wonderful memories in the early '60s, as he now leaves us all with sad hearts at his passing.  
...We know that Gary loved you, his God and Country, with fervor. He was a man of great spirit and full of life. We are so thankful (many of us) got to see you and Gary in Branson in 2013.  
...God Bless You and Your Family. Lou Minor, USS Scamp, 1963-65

“ I served with Gary on the USS Scamp (SSN-588). Gary, help my through my qualifications, I doubt if I could have made it without him. He and I became the best of friends, during and after the service. He has always been a man of utmost honesty, character and integrity. May God Bless him on his Eternal Patrol.

“ Some of my earliest memories are of playing with my bigger cousins, Pat and Gary. They were always willing to make time for me and are remembered with great love. Gary had such a great sense of humor; when I was older and saw him he always told stories in such a funny way that I would have tears in my eyes from laughter. All of our lives were busy and we had years go by when we didn't see each other but I remember him, his sister and parents with love. Our sympathy to Jane, Laura and Becky.

“ *We have such fond memories of Gary from childhood through the present. He was truly a one-of-a-kind individual. Gary was always seeing the humor in life and never took himself too seriously, except in the things that mattered...God, family, friends, and his country. We will miss him so very much at our Ringgold High School Class of 1957 gatherings and the Wally's Lunch Bunch. Everyone looked so forward to his stories and funny comments. Our prayers are with you, Jane, girls and ALL of the family.*

*I met Gary and his lovely wife Jane while a student at West Georgia College. He was a Navy submarine vet which initially formed a connection between us. I had just come out of the Army (paratroops) and most of our coffee mates before morning classes tended to be former military vets. Gary had a wonderful upbeat sense of humor and it was always fun sharing our funny service experiences. Gary was a fine decent sort of fellow- the best type. Sometimes he and Jane had a supper at my nearby apartment near campus (though I'm a terrible cook). We both drove motorcycles at the college- we were probably the first to do this at WGC. After college we lost contact for many years. and some years ago I drove to Ringgold . looking for my old buddy. I found him running a Bingo game (VFW) and we had a great chin wag catching up. I was so sorry to see his declining health but am so glad we made that late life connection as we were. both old men at this time. I will always remember Gary as one of the finest men I ever had the luck and friendship of in my life. My love and great memories will always follow Gary and Jane. May God bless you both. “ *Jane and all,  
George and I just learned of Gary's passing. What a shock!  
Always enjoyed Gary's humor and sorry we didn't see more of him  
after we all retired. I had been missing him at church and was  
looking forward to when he could return. You are surely in our

“ Gary was like a brother to my husband James, and was never without a good joke or anecdote. I loved his tell-it-like it is, no-nonsense approach to life. He was a great son to his mom, Juanita, visiting her frequently and taking care of anything she needed while she was living.

*News of Gary's passing was a shock; he will be missed. May our Father's peace be with Jane, Laura, Becky, and all the grandkids.*

*With much love,*
