“ Joe was a good and gentle soul. May he rest in peace. He will be missed by those of us who knew him. I remember he and the men at his business had adopted a stray dog and used to feed him ice cream. They named him BD "brown dog".

We did business with Joe for over 10 years, and I always looked forward to seeing him once a month. Always had a joke at the ready, and a real pleasure to do business with him. He will certainly be missed. My condolences to his entire family and circle of friends. Ken Stewart- Fredricks Equipment
