“ I was so sorry to hear about Earl's passing ... Earl, Gene, Ricky, Lynette and myself grew up together but lost touch as life sent us in different directions ... We made contact again, when Earl began going to Hilltop Baptist Church..... I'm sure his family as well as myself will miss him ... He was a good man.

Earl, you were one of the kindest most loving souls to ever grace this earth. I know you are with the angels watching over those you left behind. Although we miss you, we are happy you are now pain free. This poem gave me comfort when my nephew passed. I hope it can give a little comfort to the others who grieve for you.

The Broken Chain

We little knew that morning that God was going to call your name

In life we loved you dearly, in death we do the same

It broke our hearts to lose you, you did not go alone

For part of us went with you, the day God called you home

You left us peaceful memories, your love is still our guide

And though we cannot see you, you are always at our side

Our family chain I broken, nothing seems the same

But as God calls us one by one, the chain will link again

“ My Earl, what can i say. He was the best husband, father, papaw and uncle any family could ask for. He loved us all beyond any words. He loved Jesus to and was ready to go meet his lord and savior. He would not want us to be so saddened. I know that in my head, but tell my heart. RIP. My love we will be together again. I love you.
