Tribute Wall

“ *My Uncle Earl will live in my heart forever. I have fond and sweet memories of him from my earliest days. My grandmother, Earl's mother, Emogene Workman Epps was born with the sweet gene that floats around in my family. Earl certainly had it,too. He was a generous man with his time and resources. Strong and capable. He was also one of the best looking men I have ever known. Earl and his darling wife Karen (who I would tease and call "Aunt" and she would giggle because we were about the same age) raised wonderful, beautiful children. May they love and lean on each other to get through these hard times and rejoice in all the loving memories. Donna Seifter*
