“ *I enjoyed spending time with Eddie Sue when I worked at NHC. She talked about her family and how much she adored them. She loved reading mystery novels like Grisham and Patterson. When I picked up books from the library for her she was so excited and thankful. Eddie Sue loved her roommate. They listened to music together and 'danced' in their room. Eddie Sue really enjoyed playing Bingo, too. She was a joy to be around and I pray for 'her girls' and family to have God's peace at this time. Eddie Sue was a blessing.*
