“ *One of the greatest families I have ever known. So sorry that I was not aware that Mrs (Opie) Lindsey had passed away. Every childhood memory I have pretty much includes a Lindsey family member, from my first childhood crush on the "older (18 year old) woman Shirley, Mr. Lindsey's fantastic trucker stories and fishing, Opie's potato candy and gin-rummy, drinking beer with Steve and the boys, and who could ever forget Sha-sha Sheila ...*

Ms. Opie, thank you for all of my wonderful memories and the role you played in trying to prevent me from becoming the Misfit I am. I worked hard at it and loved every second along the way. Thanks for being there with my Grandparents that I miss so much.

Steve, Shirley and Shelia - My heart is heavy for your loss. Know that she is with your Dad again and lord knows, they are sitting around a kitchen table playin' Rummy and having the time of their life.

*With the utmost or respects,
Randy Metcalf*

“ I loved this precious woman and know she loved me! She always made me feel part of her family and treated me like it. Like her sweet sister, Ms Dessie, she always wanted me to eat something when I visited. Her pineapple upside down cake was out of this world! I know I'll see her again in Heaven or sooner, if Jesus comes to take His Bride home. Brenda Gill
