

Edmond Mize Logan

May 17, 1953 - March 22, 2017

Edmond Mize Logan, 63 of Ringgold, passed peacefully in his sleep the morning of Wednesday, March 22, 2017. How do you say goodbye to a legend like Ed Logan? One of the greatest men I will ever have the privilege of not only knowing, but considering a friend. He was born to the late Tommy & Barbara Logan on May 17, 1953 in Chattanooga, Tennessee. Ed brought forth a joy that had likely never before been seen. He has since spent these sixty-three years generously sharing this joy and his well-earned wisdom to any and all lucky enough to cross his path. Though some may have seen his ferocious temper, most knew him as a gentle spirit who was the life, and often host of every party. "Cash" Ed had a heart the size of Texas and a personality nearly twice as big. We love you....Until we meet again.

In the wake of his passing Ed leaves behind his loving wife of more than 26 years, Faith Webster Logan; children, Scott, Mark, Eddie, Billy, Charity and Sarah; sister, Linda; grandchildren, Markie, Cory, Matthew, Evan, Jaxon, Trey, Mason, Heather, Grace and Violet; great granddaughters, Holli & Carlee and many nieces, nephews and beloved other family & friends.

Celebration of Life services will be held at 4:00 p.m. Saturday, March 25, 2017 in the Wallis-Stewart Chapel. Burial will be private. The family will receive friends from 2 p.m. until the time of service on Saturday at the funeral home. In lieu of flowers, please make donations to Lana's Love Foundation at

“ You had such a massive, thunderous energy and one of a kind personality. A presence felt everywhere you went. If there was fun to be had, you wouldn't miss it, but you always brought some with you just in case. One of the memories I cherish most is watching you love Evan and Jaxon. The whole world could see how much you loved those boys and they loved you back just as hard. And to be so talkative, you taught me lessons on love and family without ever saying a word. You were like a dad to me and I miss the hell out of you already. You're irreplaceable, Ed M'f'n Logan. I dare a man to try. And I know Heaven above is only getting lots of practice cause I can still hear you.

“ *I will never forget the excitement I felt when I heard my Dad's work
truck rumble onto the driveway at the end of a long day, or the way
he would get up extra early to make egg sandwiches for his crew. I
still make my omelets the way he taught me. I love you so much,
Dad!*
