“ *She was one of my favorite people in the whole world! I was hoping she'd make it to her 100th birthday in a few months. I woke up a few days ago thinking about her and how I needed to go see her. She was so funny! Always made me smile!*

*I'll miss her!*

“ *I will always remember my summer visits to Great Aunt BC house with her sister, my grandma Myrtle. She always had stories about growing up with her siblings.*

“ *I was one of her nurses. She was such an inspiration. We had some of the best talks and she would always hug and kiss me on the cheek. I enjoyed making her coffee and getting her breakfast from Hardees. She loved those gravy biscuits. I will miss her greatly but I know she's with her Heavenly father. I will see her on the other side.*

“ *My mom was always smiling even when she didn't feel like it. She loved her family and her Church. She could always make you laugh by the funny things she would come up with.*
