“ I was lucky to have the pleasure of calling you my Godfather. You always stood by my side even when I was being a misfit teenager. You always saw the good in me and I will forever hold you in my heart. Heaven gained another angel and you will forever be loved and missed.

“ I am going to miss seeing Drew. He was always in a good mood, and always had words of encouragement for me. Will miss his smile and great attitude most of all.

“ So sorry to hear about Drew. He was a good boss. He used to laugh at crazy stuff I did. I'll never forget when he put me on the grill and I didn't know what I was doing. Said it would be OK and wouldn't be busy. Then left with Susan to look at a car. It was one of the first busiest nights we ever and we all were going bonkers. To top it off I said where does this last hamburger patty go? And Marion remembered she had just sent out a burger without meat and ran outside to get it... Lol. When he walked in the restaurant later we all threw stuff at him. He of course laughed and had the biggest smile on his face. I'll never forget the Drew Burger. Or the man it was named for.
