“ One year ago tomorrow.....You left us. I still cry. I hurt with a gnawing pain within my chest. I miss you! I see your love and life in so may things that surround me. Not a day goes by that I don't long to talk to you. I regret everyday I was absent in your life and would give the moon to have that time back now. I am still sad. I love you. I cannot wait to see you again.

Love,
Dee Dee (as you called me)

“ Aunt Effie - As you celebrate your new life free of all the earthly heartaches, pain and suffering know that all your family and loved ones left behind will be under God's watchful eye and in his loving care. As you travel about your new home look for daddy and mother for me and tell them that all is well with kids, grandkids, great grand child.

“ *My precious Angel, like a Mother.....Words can never express my love nor my sorrow. You meant the world to me.... You were my rock.*

I thought of you with love today, but that is nothing new.I thought about you yesterday, and the day before that, too.I think of you in silence, I often say your name,But all I have is memories and your picture in a frame.Your memory is my keepsake, with which I'll never part.God has you in his keeping, I have you in my heart.I shed tears for what might have been, a million times I've cried.If love alone could have saved you, you never would have died.In life I loved you dearly, in death I love you still,In my heart you hold a place no one could ever fill.It broke my heart to lose you, but you didn't go alone,For part of me went with you, the day God took you home.
