“ *Everyone I ever thought of Denise, I always had a smile, but today the tears won't stop. You were the one friend that never called, you showed up, you knew I always procrastinated, and you didn't give me chance, I loved you, my dear friend, I will see you soon Rip*

*My sweet friend,  
I love & miss you so much.  
I know I let you down there at the end but I tried and I hope you understand. But you know that I loved you dearly and vice versa.  
Bigger than life what else can I say...  
As I cry for myself I celebrate your freedom from torment. I know that in the heavens you are still bigger than life.  
Rip my friend  
XOXO*
