“ *Elizabeth Cavin was a very sweet natured lady. She loved her family especially the grand children. We always enjoyed seeing her and talking to her at the children's birthday parties. She is with our Lord and Savior now.*

SE

I first met Carlton when I was a kid. She worked with my mom at Woolworths. She always talked to me and had a smile. When I bought my children in there she always talked to them and a big deal about them. Later my brother in law married into her family I know she is in heaven with my mom catching up
