“ I will miss you Aunt Ann. You have no idea how much I love you. I use to go to her house during the summer and spend a week with her and Uncle James. I went to 2 Atlanta Braves games with them. We all went to 6 Flags when I was younger. You will .be missed greatly, Aunt Ann ! We will see you again.

“ I have known Jimmy Hall since I was a kid. I got to know James and Anne Hall as a teenager. James gave me one of my first jobs collecting money on cars at the parking lots he managed. I had many fun times working there and I have always been grateful for those memories. James is a good man and I 'm sure one of the main reasons he is, is due to his wife, Mrs. Hall. I have always referred to her as Mrs. Hall and that will not change for this memorial writing.

When I think back, I believe I only ever saw Mrs. Hall with James and she was a quiet person, letting James do the talking as he usually does. Her quiet reserve is what I remember most about this kind lady. I remember Jimmy and I driving over to see his parents a few times and Mrs. Hall would always ask if I needed something to eat or drink. James would always tell her, "looks like the boy has had enough already."

Ahhhh, good ole' James....

To the family of Mrs. Hall, I can only say try and take comfort in your sorrow, as Mrs. Hall was called home by the Lord. However, you will not soon forget her teachings, shown to you by the example of her life. You will not forget the kindnesses and piety she displayed. In my view, this lady had a servants heart and there is no doubt in my mind, Mrs. Hall is in Heaven right now, quietly serving the Lord as she did here on Earth.

God Bless the Hall family.
