“ Elonzo was a great, great man who always took time to make you feel like one of the family. His kindness and hospitality will never be forgotten. He was one of those people who always made you feel welcome and loved to sit and talk on just about any subject- especially history and the Civil War. Elonzo will be greatly missed.

King Family- you are in our thoughts and prayers during this difficult time! May God give you strength and comfort!

“ When we were kids we didnt always act the way we should and we got into everything . We thought Lonzo was a grouch but now that we are all older i realize he was just concerned about our well being and didnt want to see us hurt or in trouble. He was a good father and husband to his family and a good neighbor and he will be missed. To his family i want to say im sorry for your loss.
