“ Mom....

You've only been gone since Friday and I miss you so much. I know it's because I'll never see you again till I gain my wings. I know now though you'll always be with me wherever I go. You were such a big part of my life and I hope I can be just half of a person you were. You were one of the kindest people I ever knew and so nice to everyone that crossed your path. I'm so blessed to have a mom like you.

Just now seeing this. I wish we all had had a relationship. Your parents were always so nice. The pictures alone say that. God bless your family!
