“ *“I love you Ton ton you will always have my love!” rings in my ears. It is words that I will never forget and it will carry me on thru the rest of my life knowing the love that you had for not only me but my family. I was upset when I found out you passed even though I wasn't there at that moment; I am glad we got to share moments together at the hospital prior to your passing! It was a blessing in disguise :) God knew I needed to hear your voice again and let you know the TRUTH and what you truly meant to me. I am sorry your last days were lonely but I know Jesus never left you as he promised he would never forsake us!*”

“ Ernest Eugene Lamb (Grandpa) was a holy man, he is a true man of God and he is way more than just a avid gardener. His voice still rings through my ears and the famous saying (Go with God he will go with u) I will miss the the sweet chuckle roll from his belly and repeat the story of meeting Grandma. The memories will never leave my head and my body. I know your in a good place now. All I want to say is that I love you grandpa and I will never forget u 🕊️🛤️

“Grandpa, dad, pastor, and friend was just a few names that you bore. The greatest name you bore was child of God. Your dedication to the gospel was unmatched by anyone that I have ever known. You left a legacy and my life will forever be changed because of you. I will never forget the stories that you shared you were so proud of your family, church, and your journey. The stories of how you and grandma met, the past moves of God you have been a part of even as a little boy, and the stories of what you looked forward to in the future. Thank you for being a part of Izzie's life and her story she wrote you a letter and placed it with you today and told you that you were her biggest supporter and you still are! You are loved beyond measure I just wished I could have hugged you more, kissed you on the head one more time, I wished I could sit and hear another story no matter how rushed life always seemed to be. Boy we don't realize what we had until it's gone. The countless conversations you had asking Izzie what Heaven was like and how excited you were to go one day! So here is my question what does it feel like to be held by our Savior? Have you met the 10,000 angels you loved to sing about? The countless lives you've changed for the glory of God must have got you a big crown!! Did you cast it at the feet of Jesus like you always said you would? I was so blessed to be with you one of the last times in the hospital as I watched you suffer and beg Jesus for another breath I will never forget when you prayed Jesus if you give me another breath I will tell them about you. I begged the doctor's to help you as I thought it was your last moments as they rushed in to give you oxygen you held up your end of the deal and you did just as you promised and told everyone you could about Jesus. I believe until your last breath God used you. Thank you for being you and being faithful to the gospel. How exciting it must be to be in the place you've preached about your whole life. I am so thankful we were able to take you and grandma back to Kentucky to relive the memories and put a picture with your stories it will never be forgotten. As you held Izzie when she faced death I hope you know we were there with you too! I never would have imagined your life would end like it did or the circumstances we would face but our

*love was stronger and you knew how much you were truly loved by us. So Grandpa, dad, pastor, and friend enjoy being a child of God and truly living the life you preached. You taught me what leaving a legacy truly means. I guess what you've always said is true. Go with God and he will go with you! We love you more than you could ever imagine. We will celebrate your life and you will be honored not for your lush garden but for the lives you've changed!*

“ We were saddened to hear about Bro. Lamb's passing, but we know his faith has ended in sight at the feet of Jesus in sweet heaven. This man has touched our lives and will leave a lasting memory of the love of Jesus. His homegoing is glorious, but leaves a large void in all of our lives. We loved him and all of you his family. Mike is going to try to make the visitation on Thursday, but regretfully, I won't be able to come as I have another appointment that I can't change. Please know that all of you are in our thoughts and prayers for God's comfort and peace in the days ahead. We love you all!!

*My heart is saddened by Brother Lambs passing. He was a great man. I remember him singing with so much excitement and preach the word to us from his heart. He will be missed. I didn't get to see him and sister Lamb but It was always knowing they were still at church. He use to carry my boys on his hip while preaching just so I could pay attention. He loved my boys as if they were his grandkids. Sending love and prayers.*
