“ Lebron had a quiet spirit, He was one of those men who was content with his family and life. He loved his family so much. Always smiling and knowledgeable of most any subject. I think he was most happy while working on the family farm. There he had memories of the, good ole days. Everyone needs a place to go to relax, The farm was his. It may have not been said but you were loved by so many. Our prayers are with Karen and the entire family. We love you all. Leon and Carole Thomas

“ Lebron's quiet determination, strength, faith, and contagious smile were an inspiration to me as he and Karen allowed me to accompany them as they battled cancer. I will always be grateful for the trust they placed in me. You will be greatly missed, Lebron.
