“*I remember the first time I met Mr. Teague. I had gone home with Sharon one weekend from college and he said, " if you can room with her and still come around, you must be okay!" I knew from the look in his eyes he loved his daughter. Ithey had a special connection! Ihave had the pleasure of knowing him for more then 20 years. He was a wonderful man who raised two wonderful daughters and instilled his love, humor and values in all his grand kids. He will be missed, but his legacy thrives! Thanks, for welcoming me into your family so many years ago!*”
