“ *Eva, my heart is broken. I know you are in a better place. I only wish we had spent more time together. I miss you already. You will always hold a special place in my heart. Just the other day you were talking about Little Ray being free. Now you are free from this world filled with pain and worry. The next voice you hear and the next face you see will be Our Lord and Savior Jesus Christ. I love you Eva your friend and cousin, Hazel.*
