“ *My Dear Buddy Evelyn
Gosh I can't believe you're gone. You have always been a kind and loving person. You loved your family so much. Always talked about with so much prid what was happening with them. You were such a kind and caring nurse in the ICU. You would comfort the loved ones of the patients with hope or if their loved on passed away with a little hug or sympathetic words. Our world is going to miss you girl . Love you and miss you. God is happy you're there with all the good ones.
