“ *She was amazing, loving, sweet, and had the sweetest hugs. Im proud to say that my great grandma was the best one in the world and she lived her whole life with that title. I'll forever miss her smile when she saw me and the loving hugs she shared. I'll miss watching tv with her and talking about whats going on, its so sad to know that she is gone. I loved her and still love her so much. Rest in peace Granny Leming.*
