“ Worked with Evelyn many years. We would ride to work together when the need came up. She beat me to retirement but kept the door open. I followed soon after. She loved her daughter, Candy, more than life itself. I saw Candy grow up through Evelyn and attended Candy and Jon's wedding. They blessed Evelyn with 2 beautiful grandchildren that she loved dearly and spoke of them often. We did not see much of each other after retirement so it was sad to learn of her passing. I considered her a friend. May the Lord comfort all of her family and may she rest in peace.
