“ I will miss you terribly Momma, especially our talks while I'm driving home after work. It will be so hard to break the habit of dialing your number and saying "Hey Momma, What ya doing?". I loved you Momma, you had a lot of life experiences that were so much fun; bowling and fishing are the two that come to my mind. We had a lot of fun and I will miss you; but I praise God that you are no longer struggling to breath, no longer hurting in your back and that you have a whole healthy body with Christ. Love you, your daughter Jayne Morgan
