“ *Our lives have been intertwined since you, Daddy (Frank Tapley) and mama (Shirley Tapley) were teens. Our families as they grow, share memories and such. We may not have been in touch for a while, but on behalf of my family, we wish to offer up prayers so that God may wrap yours in His arms while you are being carried home. May you rest in peace. “ Chris and family. I'm sorry for your loss. She was a good friend to my mother, and even after my Mom's passing, she was a friend to me. She kept an eye out for my Mom. When Mom would get up in the middle of the night, Fonda would call my mom to see if she was alright. I really appreciated her doing that. After my mom passed, Fonda knew we were having some problems getting everything settled. If there was a break in, or a storm she would call me if there was damage to the house. Your mother and grandmother was a good friend to us. She cared. Sue Moreland.
