“ My condolences to all the family. I am a cousin to Frances, via her grandmother, Pearl Templeton Dickson Vess. Pearl and my grandfather, Joseph Elgin Templeton, were brother and sister.

I didn't know Frances very well, but she attended the same church as my mother, so I was able to see her over the years. She was a very sweet lady.

May your hearts be comforted now and in the days to come.

“ Growing up the Gilbert cousins were almost like siblings, in fact there was a time when Frances and Tommy lived with us..... we were a close group of ten kids...five Gilberts and Five Dedmons. Now there are just six of us, 2 Gilberts and four Dedmons. We have lost Jay, Robert, Frances and Carolyn. Time has separated us somewhat, but we still love each other. I am sorry that I am unable to be there in person, but my heart is with you....

And the next generation felt similarly close throughout our childhood. I never thought about second or third cousins, the Gilberts were just my cousins. I remember when I was a child and Frances built her house in the valley I was so happy to be able to see her often! And I know how happy it made Mama (Carolyn.) she and Frances were always close.
I love you all. Wish I wasn't so far away at times like this.
