“ *Sam and Susan*

We are saddened to hear of your mother's passing. We will always remember her wonderful infectious smile, her beautiful personality, and how she would make us feel so warmly loved every time we met. She is one of the most outstanding ladies of our community, and will continue to be in our memories of her. Every time we go to town, we look to the left and can almost see her and Harold and the 57 Ford in the yard. Our prayers and thoughts are with you in this difficult time. May the God of comfort, comfort your family in precious memories and peace. We love you.

We were so sorry to hear of your mother's death. I know she is enjoying being with your dad now but it is always hard to give up our mothers, no matter how old they are.

We are out of town and won't be able to be at visitation or the funeral. You will be in our thoughts and prayers.

Love you,

“ I have known Francis since I was just a little girl. My mom worked with her and Harold was our mailman. I would go out every morning to meet him and get the mail up until I started school. I lost my grandparents at an early age and they told me that I could adopt them as my grandparents. From then on, I was always their adopted granddaughter. My husband lived behind them when he was very little and she loved to tell me stories about him. Later, they both went to work at The Messenger office delivering papers. She would always bring us something to eat on delivery days. When our son passed away, they were right there comforting us. Francis loved everyone, but what I remember most and loved about her was her penchant for having fun. She was always laughing and cutting up. I know that she is happy in Heaven being reunited with Harold and I am almost positive she is telling him something funny as they walk down the streets of gold laughing. I love you Francis and I will see you again one day!

“ I was blessed to have Frances as my very first Sunday School Teacher at Woodstation Baptist Church at Catlett. Frances was a charming, gracious and fun person to know. One could not be sad when in her company. My Mother and Frances shared many afternoons discussing 'their world' and all that presided therein. I had my tonsils removed at age six. It was around Halloween. Frances brought me a cardboard 'scary cat' for a Get Well present. I still have that cat.
I will always, always love Frances Turner.
God Bless You, Sam and Susan and all your family.

“ *Miss Francis was such a loving person and we are blessed to have known her at Old Bethel Baptist Church. Even though we will sorrow at her passing, we can rejoice at her home going. Heaven has just become sweeter because she is there. I'm so glad Connie & Lavon brought her to our church whenever they could. God bless you all.*
