“ Oh my, Becky...did not know...just saw this on funeral home page! My sister, Ernestine Potter (Tina) and PeeWee were good buddies at NHC. Francis took Tina under her wing two years ago when she lived across the hall from her. Tina had just been admitted with the stroke and as you know, Alzheimer's. She and PeeWee became fast friends.

I loved PeeWee and always tried to take Tina to look for her after Tina was moved over to 100 hall.

So thankful that PeeWee is no longer suffering! Becky, thank you for always looking in on Tina. I always was so glad to see YOU come in! You are to be commended for how you took such good care of your sister. No one knows how hard it is, unless they have been there!

Love and prayers for you and each of your family today!
