“ We will miss our "Chicken Man" always bringing a smile to our face with his classic wave everyday as we travel by! That is what our family has called him since we moved to Brock Road 13 years ago. All 6 of our children were extremely sad to hear the news that he will no longer be sitting in his chair waving at those who pass by. But we told them maybe Paul will still carry on the tradition...and so far he has....Thank You Paul! Love, The Gitgoods

“ Prayers for you all at this time. Junior was like part of our family (the Holcombs) from since we were kids together. Junior and our Uncle Frank were close chicken friends, he was always around our house and always a smile and comfort in happy and sad times. He will be missed and always remembered.
