“ My name is Bob Feick and grew up in my teen years with the Bolt sons after meeting them at the Cask n Cleaver Restaurant in Hacienda Heights. I spent many days and evenings with the family, laughing with the guys as well as Frank and Betty. It is my sorrow to have learned of Franks passing in February. I have tried to locate family members many times in previous years and although living in Tn have attempted to locate Darren and Darrell within the past 5 years via trips to Ca and through the internet via Az job sites/locations etc for Darren.

Again I am sorry for your loss and for the pain Betty must feel after being married to Frank for 62 years.

I would love to hear from the family should you desire. I can be reached at 423.946.8045 and at hispix1@yahoo.com. Take care and give my best to Betty.
