“ Frank work along side my ex husband(Billy Joe Penland) for years. They were like brothers. He would come over to our house and visit and he always made me laugh. I haven't seen him in years but he will always have a special place in my heart. Praying for his family.

“ I don't know what to say. The thing I remember when I was young, Frank would help me on my 66 chevel. He would also help my mom out as well as he would help me. I've done alot of things wrong in my life that I never apologized for, and now I know it's too late to ask for forgiveness. I respected Frank very much, he was a very good man, he was a very good husband to my sister, and a great father to my nieces and nephews. I just have one more thing to say, I love you Frank, and God bless you on your travels to Heaven. I will love you always.

Your loving brother in law,
Jeffery

“ I remember Frank from the Bonny Oaks School in Chattanooga in the 1960's.

He was a role model who reminded me of James Dean.
