“ *Mommy Frankie had a very sweet spirit. She was a mommy to everyone, she never met a stranger, a beautiful smile she always carry, such kind words was always in her heart.. Mommy Frankie had love for anyone she connected with. I never heard her speak a negative word, instead she lift you up and try to keep peace yet still with a smile. She will give you the shirt off her back. She will feed you and put herself last. It didn't matter if she had enough to go around, she will still make it work and she will not eat until everyone around her has eaten. She had a big heart. Mommy Frankie, When we talk , she will always put God first, and end with Him. She will be very missed. Mom is what I called her She lived on the heavenly side and looked at things from above. Love you mom and you will not be forgotten. Coral*
