“ I only met Frankie a couple of times but felt like I knew her from Doug. There was never a time I saw or talked to Doug that he didn't talk about his Mom. I know she was a lovey person that deeply loved her family & her family deeply loved her. It makes my heart happy to know Frankie knew & loved the Lord. My thoughts & prayers to Doug during this very difficult time & the days to come.

“ My heart is broken at the loss of my beloved aunt Frankie. She was a loving, caring and generous person who did so much for me and my family as I was growing up and throughout the years. Fortunately I had the opportunity to tell her once more just how much I love her and how much I will always appreciate her loving kindness. Doug, Dianne and I love you and pray God's Peace and Comfort for you through the difficult days ahead. Please keep your faith and your fond memories until you are with her again in His presence.
