“ I will always remember My Brother-in-Law Fred as the kind and thoughtful person he was. Always there for me thru the years whenever i needed help moving, or my grass mowed and because of Fred i learned how to drive :) He was so patient giving me driving lessons in his car many many years ago. I lived next door to my Sister Ceil and Fred for many years and i remember all the fun times spent on their carport sitting at the big orange picnic table with the radio blasting and us laughing about stuff. I remember good times going fishing with Fred and Ceil and fun times up at Chester Frost Park when all the family would go up to the lake and have a nice picnic. I sure do miss them days. Thank You Fred for being such a good brother in law to me and my sisters.....I will miss you.....Until we meet again....Love, Nancy
