“ Betty and Fred were neighbors of mine for many years. Our daughters attended church and school together. They were such kind and gentle folks. I often saw them working together in the flowers in their yard. I didn't have contact often after I went to work but I will always remember them as special friends. I hope your precious memories of your parents will help to heal your broken hearts. i have prayed for your family and will continue to do so as you go through these difficult days.

“ Fred was such a sweet gentleman. He was a such a blessing to me and Doug. He was a man of few words but always had such a sweet smile on his face. He's with sweet Betty Jean now and more importantly with our Lord and Saviour
