“ *My mother was so passionate. I can not understand why she was taken from us so soon. My heart is broken, and now, I lost without my mom. I miss her terribly, and love you so much and I can't even explain my pain. Momma, if you are looking down on us girls, and Daddy, just know, how much we love you, and not to worry about anything, we will take care of our Daddy, your husband. Just know, I will talk to you every night, you are my precious, my best friend, my mom. You will forever be in my heart, until we meet again, I love you to the moon and back. As you will say, you love us more. Sincerely, love your baby daughter, Pamela Tolbert chambers*

*My Sis was one of the strongest women I've ever had the pleasure of loving and knowing. Gail had the heart of a queen of hearts. She was giving of herself, her worldly values and her love. Gail had a love for life and a very special love for her family....arms always outreached for for those in need if she could possibly help....even if it was simply listening. The world is less without her good nature around. Gail will be greatly missed....she's irreplaceable and unforgettable...she left a beautiful presence in our lives . I loved her ALOT and she was a wonderful sister.*
