“ I used to be Gary's neighbor and he was always so kind to me- he would help me weed eat when he saw me outside trying to start it. I think we both got a laugh out of my landscaping skills. He will be missed dearly. prayers for his family and loved ones.

“ Gary was one of a kind. Always willing to help. I used to walk at woodstation rec early in morning. Heard wolves howling. I ask Gary if he thought they would bother me and with a smile on his face, he said " only if they are hungry" . He was a good man.
