“ Just want to tell the family how sorry I was to hear of Gary's passing. He was such a kind and gentle person. I cut his hair for probably 30 years and we always had a lot of conversations together. I know he will be sorely missed.

“ I always loved visiting Uncle Ray and the 3 boys. Gary was always so kind and he always helped me (especially when I was little). I remember Mike, Gary and Randy had a greenish brown spider monkey when we all about 8 - 12 years old. We had so much fun playing with the monkey and when it accidentally bit me, Gary helped bandage my finger and he kept it quiet so the monkey would not get in trouble. He was always protecting his family and friends. He may have been quiet, but he was funny. He had a great sense of humor and I loved his laugh!!! He will be missed by everyone who knew him. He was a great example of a humble, faithful and loving Christian. I know he is up in Heaven looking down on all of us. He is probably helping everyone in Heaven to make sure they are having fun and being included in everything. He was a great protector and a super fun cousin! My thoughts and prayers are with him and the entire Tutton family.

My mom Joyce Martin (Al Tutton's 1st wife) sends her love too. She has lots of fun stories about Gary and the boys when they were little.

We all love Gary and will miss his smile very much.

“ Gary was one of the nicest, most soft spoken people I ever knew. He never had a bad thing to say about anyone. He was always a pleasure to be around, even when Joyce & I babysat him & his brothers at his parents home in Chatanooga Valley, over 50 years ago. So many great memories -- he will be missed by everyone who knew him -- especially his close-knit family.
