# Tribute Wall

“ *May your heart be as light as a feather from your wings, may your words of wisdom carry throughout heaven, may you find peace without pain and joy in the arms of loved ones who were waiting for you. As you look down on those whom you love dont be sad, just be patient for our day will come and we will be together again. Like the song says Daddy's dont just love their children every now and then its a love without end. Amen*
