“ George was one of the best people I've ever known. He and I were friends in our Kay Bee toy store days. He also helped my husband Keith and I work on our cabin when we were building it. Always enjoyed his company and good nature, he was always smiling. Heaven gained a true Angel. We will miss him. Our prayers go out to his family. May God comfort you all during this difficult time.

“ How do you put into words what a beautiful soul George had? I had the privilege to have George in my life during a very difficult time. My only regret is not telling him what a impact he had on myself and Katelyn. He was her first "daddy" in this life even if she did always just call him "Georgie". Even in our early 20's he was a man of integrity. He always had a playful spirit and an enjoyment of life but was also goal oriented and driven. We have so many memories of things we did together, he taught us, he carried us through and things he just loved us through. My heart is saddened that such a good soul was taken from this world way to soon! Prayers for all the family now and in the months and years to come. Go rest high Georgie!

“ My dear brother. I can't even imagine this life without you....but, I'm gonna have to try. All of the last month we have spent day and night....good and bad together. We have played games we have cried...or at least I did. You were always so strong thru all of this! You never shed a tear. And even though you were SO sick and you still took care of me and mom. I will miss you but I will cherish all of our 41 almost 42 years together! I love you bubba and I promise I will see you again.

“ *My deepest sympathy to the family during this difficult time. Sending prayers for some kind of peace and comfort. George was well loved by everyone who met him and he never met a stranger. He brought my family a lot of memories that we will always treasure. One of my favorites is how he loved kids so very much, and they loved him as well. He did love to play! George was a genuinely happy soul and his energy and enthusiasm was contagious to everyone he met! He will be missed by so many. I'm thankful and blessed that I had the opportunity of knowing him for such a long time.*
