“ Geraldine Campbell, I could go on for hours talking about all the great memories from our childhood but the one memorie that I hold dear to my heart was how she never gave up on any of us wild kids that always seem to find a way to get in trouble. She treated everyone the same, with love ,and lots of it. My heart, and prayers go out to all who knew and loved her, and also those who didn't know her she was a very special loving person and she would go out of her way to make sur her grand babies had everything they needed. I may not be blood, but I'm family and I thank you Geraldine for a the love that you instilled into all your children and grandchildren,because what you gave them I also received, a family that's always been there for me and excepted me just for who I was. So in closing I'd like to say thankyou for for just being you, rest easy and know that one day will be...forever. God Bless You, Boogie.
