Tribute Wall

ME

“ Ed and I stayed at Gladys' house in Mt Carmel on April 11, 1962 till it was time for me to go to the hospital for Bill Knust to be born. House was so new it only had 2 X 4s laid side by side across the dirt front yard. Gladys' mother, Pearl, had been operated on for cancer the day before. She watched over me when my labor pains became closer and closer. She was a sweet, kind lady and I enjoyed her company. God Bless her soul.
