“ Vickie,
Our hearts are breaking for you and for your family. When a family is very close like yours is, it is so very difficult to have to let someone go. Just remember that he is in a much better place and will not be sick or hurting anymore. We are so thankful that Glen accepted Jesus and got peace in his heart. We will always remember the fun times that we had together. We love you and will be praying for you and your family.
