“ Glenda was an integral part of River of Life Church for so many years! She operated in the wisdom given to Bezaleel and Aholiab to create beautiful things in the worship of our Lord! She created powerful banners declaring God’s covenant promises, flower arrangements to beautify His house, puppets to assist in the teaching of His Word to the children. She created dramas, produced plays and developed a dance team to worship the King! On top of all that she was a teacher, an intercessor and a lover! Today she is reaping her due reward....LIFE IN ABUNDANCE TO THE FULL! To her family and friends, May the joy of the Lord be your strength!

“ I remember this beautiful lady. She really made such an impact in my life spiritually by just loving me. She also played the flute at our wedding and she was so very anointed by Holy Spirit! Such a precious one who is now dancing with the Lord in Heaven.❤️

I am so sorry to learn Glenda is gone. The last time I saw her was in 1998? When we lived in Atlanta we traveled around North Ga and camped out in her VW van. I missed her so much when she went to Europe. She visited me a couple of times in Atlanta and I visited her in Portland. I moved to New Mexico in 1989 and when I moved back to this area I stopped to visit her in Rossville. I wish I had known sooner about her death. Love to you in her family and her church family.
