“ Oh our sweet Glenda. We will miss her but her spirit will be part of us forever. She was very kind but those who knew her well also knew she was spicy! Either way , she was our Glenda and she was a Ya-Ya! She had such a strong friendship with her crew. Her body may not last forever, but her spirit and personality will forever be here with her friends and her kids/grandkids and family.💕💕

“ I remember meeting Glenda over 25 years ago. We shared so many secrets. She was always such a GREAT person. My son and I absolutely loved her.

I started calling her Glenda Faye because she didn't want to tell me her middle name. But of course Mike told me. That was our special bond we had.

Sending my LOVE and PRAYERS to JD, Ashley and the entire family and friends.

With my sincere condolences, Jackie Smith and Kelvin Bragg

“ *Glenda will live forever in my mind as one of the strongest, sassiest, funniest women I've had the pleasure to know. Even at the end of her life, when tired and not well, she was full of life and joy and humor.*

Just a few weeks ago, she decided she wanted to go swimming in the hotel pool. So, naturally, I packed up my boogie board and headed over, because, "If Glenda wants to go swimming, then by George we are going swimming!"

Getting in and out of the pool were adventures, and the water was cold, but we laughed the whole way through and had a wonderful time. I'm so pleased to have that memory, among my many others with her, and will cherish it always.
