“ Glenn was a great boss and mentor. He hired me at Badcock, and he’s the reason I’m where I am now. I’m still in shock from the news, and I wish I could have made it to the funeral. I’ll never forget the way he started any phone calls between us, they were never serious, no matter what the call was about.

“ Reminiscing the St. Patty's day party. It was rainy and our rooms were straight out of a nightmare right next door to each other. No matter the circumstance you always seemed to stay calm and cool. We all took a shot or 2 or 3 of fireball to cheers to friendship as usual to get the night started right. Your voice, laughter, hard work, dedication, loving father and shown just how much you loved Tina will always remain in my mind. It is hard to find friends like you and so grateful that we had the chance to know you. RIP you are greatly missed.

“ Glenn gonna miss the conversations and laughs . Tina so sorry for your loss. I met Glenn when he came aboard with Badcocks as a MIT. He was assigned to my Store in Chattanooga/Fort Oglethorpe to do his training. I knew when going through the training process that he was going to be great asset to Badcocks. Glenn show me some of the best places in Chattanooga and Firt O to eat during our lunch breaks. We always communicated on numbers and on raising the bar through his different assignments. Glenn was last year Store of the Year Manager and was on the path to go Back to Back with it. We had a conversation the day before and he told me that he was three months away of doing it again. Glenn, buddy your going to be missed.

I didn't know Glenn all that well, meet him twice! He seemed like a nice guy! But most of all, he made Tina seem very happy, and that's what counts! Tina, keep your head high, and try to forgive the good lord for having different plans than you! Glenn, my friend, until we meet again!! R. I.P.

Glen. I know you were a good father to my niece and nephew and if it were only for that it would be enough. I always knew you to be a very calm and collected man. Man of few words but you meant what you said. And said what you meant. I've always had a profound respect for you because you never settled for less than you knew you were worth. And you never followed the crowd. You blazed your own path in life. I'm proud to have known you sir. I pray you continue to blaze your own path in the afterlife. You certainly have something to offer anywhere you go. Tina. I never had the privilege of meeting you, I'm so sorry for your loss. May God be with you through this transition. Mike. C.
