“Lois and Reuben were such a blessing to us. They attended our church for awhile, and added so much to our services with Rueben playing his guitar and singing, and Lois singing and testifying. Our prayers are with the family. God bless you all.

“So so sorry for the void that will be in the family. Sister Lois has fought the fight and kept the faith now she will receive her crown of righteousness. She was a very devoted person to God. I love Sister Lois she was a true inspiration to a lot of people.

“Lois saved my life. I thought I had the flu but the Holy Ghost told her I had appendicitis. She and Charlotte took me to Memorial Hospital where they discovered advanced appendicitis and an inflamed colon.

Lois tried to listen to and obey the Holy Ghost. If you were thirsty she'd get you some water, hungry she'd feed you, sick she'd care for you and then pray down healing power.

She was a great spiritual inspiration in my life. Thank you Lois Wynne for great will be your reward in heaven.

“Glenna is my first cousin. I remember her when I was little girl living in South Pittsburg Mountain. Very sweet and all her siblings! God bless Nellon and Tommy whom our family loves so much.
